## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose a driving assist system for a vehicle, comprising: a longitudinal information conveyance device that presents the  $R_{Plongitudinal}$  calculated by the Risk potential calculation device to driver; a lateral information conveyance device that presents the  $R_{Plateral}$  calculated by the risk potential calculation device to the driver; and a timing control device that adjust an output timing of the longitudinal information conveyance device and an output timing the lateral information conveyance device so as to prompt a driver to perform a longitudinal driving operation or a lateral driving operation to stabilize behavior of the vehicle when operation and non-operation of the longitudinal information conveyance device and the lateral information conveyance device are switched. These limitations are neither taught nor obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
